**Primary School**

**KEY STAGE 1**

Key Stage 1 consists of Years 1 and 2. The Year 1 teachers will have access to the EYFS profile on each child's skills and ability in relation to the three key characteristics of effective learning.

These will inform transition meetings between Reception and Year 1 teachers about each child's stage of development and learning needs and assist with the planning of activities in Year 1 to enable a smooth transition into Key Stage 1.

Year 1 and Year 2 classes use the national curriculum to ensure that every child covers the appropriate topics and information.

At the end of Year 1 children are assessed against the national phonics screening lists and at the end of Year 2 children are assessed in reading, writing and maths using teacher assessments and national materials.

Parents and staff communicate with each other via the children's individual school diaries.
