Great Learning experiences and Motivation leads to Progress and Success

Thursday 17th March 2022

Dear parent/carer,

We are very excited to be welcoming Ark Farm into school on **Thursday 24th March**.

Ark Farm is a mobile farm that visits the school and allows children to meet and learn about a variety of farm and small animals.

The children in nursery will be taking part in workshops throughout their usual nursery session and this visit links to their current half term's learning, 'Amazing Animals'.

The cost of this visit is **£11.00 per child**. We are asking parents to contribute this amount to allow the experience to take place.

The government requires that we ask for this contribution on a voluntary basis, but we will not be able to provide this experience unless we receive enough contributions. If we do not receive enough contributions, then we may have to cancel the event.

Payment should be made through ParentPay; you will have received your sign in details for this already. If you do not have these, please contact the office. The deadline for payment is 9am on Monday 21st March.

We do appreciate that for some families, finances are stretched at present and with this in mind, if you would like a payment plan set up to spread the payments, then please contact the school office to arrange this.

Children should attend nursery as normal on the 24th. As we are not leaving the school, no parent helpers are required.

If you have any further questions please contact the office or speak to one of the nursery team at the start or end of your child's session.

Yours sincerely,

Ms P Thakarshi
Nursery Lead
