Wednesday 2nd March 2022

Dear Parents/Carers of children in Year 4,

On **Thursday 24th March 2022**, the children of Year 4 will have the opportunity to take part in a very exciting workshop titled '**Our World, Our Future**'.

During this workshop, the children will have the opportunity to investigate the most important issues in our world today from an interactive, drama-based perspective. The workshop will focus on elements of learning that have taken place during our PSHE, geography and science learning. The children will explore environmental challenges and be encouraged to take ownership of their part in our world.

During the class-by-class workshops, children will explore the challenges faced by our environment as they investigate climate change through a multitude of perspectives and settings. The focus is on empowering children to take ownership of the narrative, to work with each other and their community to make a positive change, and to explore how they can make a difference.

The government requires us to tell you that we can only ask for a voluntary contribution. Unfortunately if parents do not pay, the workshop may have to be cancelled, as we are unable to fund the workshop from the school budget. The cost of the workshop is £4.00. Please return the permission slip to the class teacher. Workshop money must be paid by **ParentPay** no later than Monday 14th March 2022.

Kind regards,

Miss A Poole
Year 4 Lead
Geography Leader of Learning
